  ["JavaScript", "Flutter Development", "Visual Studio  
  Code", "Android Studio"],  
  ["Flutter", "Analytical Skills"],  
  ["Problem-Solving, Leadership", "Vulnerability  
  Assessment"],  
  ["Windows", "Linux", "Mac"]  
}
```

Flutter

C

Java Script

Linux

## #Education

// 2023-2026

Bachelor in Computer Applicaton  
Amity University,  
Noida

// 2021-2022

Certified Ethical Hacking  
EC-Council,  
Delhi

// 2024

Certificate in Professional Life Skills  
Amity University,  
Noida

## #Experience

```
{  
  AXV Online File Storage Research  
  Envor Studios | 02/2024 - Present  
  > Led the research and analysis of AXV, an advanced  
  file storage platform focused on delivering secure,  
  scalable solutions for data storage and management.  
  >> Developed technical documentation and final  
  reports outlining AXV's encryption techniques and  
  future implications for the file storage industry.  
},
```

```
{  
  Concado: Ciphared Text Protocol Research  
  Envor Studios | 10/2024 - Present  
  > Designed Concado, a dynamic ciphared text  
  protocol that encodes names into numeric forms,  
  with annual  
  sequence changes to enhance security.  
  >> Researched, implemented, and produced final  
  reports detailing the encryption system inspired by  
  binary  
  and hexadecimal methods, ensuring robust protection  
  for sensitive data  
},
```

```
{  
  Wallpaper App  
  Envor Studios | 01/2022 - Present  
  > Developed and maintained a dynamic wallpaper app,  
  achieving high user satisfaction with innovative  
  features such as category filters and daily  
  updates.  
  >> Implemented performance optimization techniques,  
  resulting in improved loading times and user  
  engagement.  
}
```

## #Strength

\*Proficient with Linux, Android Studio,  
and Flutter, with a strong  
understanding of app development  
principles.  
\*Strong problem-solving skills and  
ability to troubleshoot issues.

## #Certification

```
{  
  "C.E.H Certified",  
  "Professional Life Skills Certified",  
  ...  
}
```
